Dear Sir

**PROPERTY INSPECTION REPORT NO:** A6254 & 6253

**PROPERTY NO:** 10868 & 6793

**PARISH OF:** Walters & Tunnabidge

Council's Noxious Weeds Inspector has recently conducted a property inspection in this area. Please find enclosed a copy of the relevant Inspection Report No A6254 & 6253. A list of declared Noxious Weeds is also attached with details of weed category and action required to be taken.

Council's Inspector has noted that you **do have** an effective control program on this property for the control of noxious weeds. A program is recommended at the indicated time of treatment to Eradicate and Prevent existing infestations of Noxious Weeds from spreading.

Weeds noted on Report:

- Blackberry
- Blue Heliotrope
- Sweet Briar
- Common Pest Pear

Please note that a 20 metre *Buffer Zone* is the minimum requirement for control of Noxious Weeds on property **boundaries and watercourses**.

Should you require further information or assistance please contact me during normal office hours on 63 575000.

Yours faithfully
